If you're looking to invite fresh air into your home, you can't look past casement windows. Our premium '**Signature LB**' casement windows are strong, secure and stylish. Best of all, optional security and insect screens can be installed to keep bugs and intruders out without compromising access to the handle.

## Features & Benefits

### Lifestyle & Comfort

- Increased natural ventilation thanks to near 90-degree opening angle
- Curtain-friendly design protects your window furnishings thanks to folding handles and no sharp edges
- Comprehensive security with unique lever and key operated multi-point locking system

### Optional

- Security and insect screens can be installed to keep bugs and intruders out without compromising access to the handle

### Design & Aesthetic

- Accentuated picturesque views with 'picture frame' look
- Stylish and functional hardware for aesthetics and ease of operation
- Architectural symmetry allows for design integration with other Bradnam's products

### Performance & Reliability

- Effortless operation thanks to dual arm stainless steel stays (supports)
- Superior year-round weather proofing thanks to Santoprene seals
- Various glazing options to suit your needs, including single and double glazing
- Superior strength thanks to robust 100mm frames

### Optional

- Internal glazing system - ideal for upper storey windows
